Customer Journey Map

Map out the customer's experience stage-by-stage, capturing their actions, touchpoints, thoughts, and feelings, along with process ownership and improvement opportunities at each stage.

Phase of Journey	***Stage 1***	***Stage 2***	***Stage 3***
Actions *What does the customer do?*	Select document type and enter required details.	Generate the legal document using AI.	Edit and download the final document.
Touchpoint *What part of the service do they interact with?*	Streamlit input form and Generate button.	AI-generated preview and editable text.	TXT, DOCX and PDF download options.
Customer Thought *What is the customer thinking?*	Can I create the document easily?	Does the AI output match my inputs?	Is the final document ready to use?
Customer Feeling *What is the customer feeling?*	Curious and hopeful.	More confident after reviewing it.	Satisfied after editing and exporting.
